PROFESSIONAL SUMMARY

Motivated MERN Stack Developer with **2 years** of experience in building responsive and user-friendly web applications and software. Skilled in MongoDB, Express.js, React.js, Node.js and Next.js. Strong understanding of frontend and backend development, REST APIs, and modern web tools. Focused on writing clean code and delivering high-quality projects.

TECHNICAL SKILLS

- 1.Frontend Development:** React.js , Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Typescript.
- 2.Backend Development** Node.js , Express.js , Restful API , Microservices, RabbitMQ, Websockets(familiarity).
- 3.Deployment:** Docker , CI/CD.
- 4.Version Control:** Git/GitHub.
- 5.DataBases:** MongoDB, PostgreSQL, NeonDB.
- 6.oft Skills:** Collaboration, problem-solving, adaptability, and effective communication.

PROFESSIONAL EXPERIENCE

- | | |
|---|-----------------------------|
| 1.Full Stack Intern Ideoversity | April 2024 - June 2024 |
| 2.Full Stack Developer – Xsuite Digital (Lahore, Pakistan) | September 2024 - April 2025 |
| 3.Full Stack Developer Intern – Nexflow Technologies (Remote) | March 2025 - April 2025 |
| 4. Jr. MERN Stack Developer - RBS (Regent Business Strategies) | May 2025- current |

PROJECTS:

- 1.Flexible Budget Removals:** Built a complete admin dashboard in **MERN** myself for a UK removals company, allowing client to manage bookings, vehicles, pricing, and distance-based services.
Integrated Google Maps API and added iframe so the booking system can be added in multiple websites.
- 2.MTLDispatch:** A SaaS dashboard in **MERN** for chauffeur companies to manage bookings, drivers, customers, invoices, pricing, and service zones with role-based access.
Developed an embeddable booking iframe that companies can add to any website (WordPress, MERN, etc.) so customers can make bookings online directly from their websites.
- 3.Life Alarm Services:** An e-commerce store built in **Next.js, Typescript and PostgreSQL**, allowing customer to sell products online, I have worked on **backend** here.
